## Beach Cottage ♥ Saturday Club

---

♥Welcome!♥

...this is the place where we embrace all the things we love...old linen, vintage china, newspapers, ruffles, coffee,

old things, treasure hunting, pots of tea, thrifted things...and a bond for living the good life in ruffles and taking time out on Saturdays just for us, albeit 15 mins or all afternoon, to hunt out the good stuff and celebrate life,

no matter what it's like, wherever you are.

...you must be prepared in being part of this club to **embrace**

**the value of down-time** + dwelling on the good little things...finding the good in life...this club is so not about money, how much you have or haven't got, or time, how much you have or have not got, it's about working with all of those things to rock your life before you blink and it's all over
